### DRI #73 - SUMMERFIELD CROSSINGS HILLSBOROUGH COUNTY RY 2004-05

On January 22, 1982, Hillsborough County granted a Development Order to U.S. Home Corporation for a four-phase, 1,886-acre, mixed-use development located at U.S. 301 and Big Bend Road in southwest Hillsborough County. The project was originally approved to contain: 6,250 residential units, 660,000 sq. ft. of office and light industrial development, a 1,000,000 sq. ft. regional shopping mall, 480,000 sq. ft. of neighborhood/community commercial centers and two golf courses.

The Development Order has previously been amended a total of three times, most recently on March 8, 2005 (Resolution No. R05-059). The amendments have cumulatively: incorporated and modified a land use trade-off matrix; granted cumulative extensions of 21 years (to 2005), 19 years (to 2005), 22 years (to 2011) and 24 years (to 2015) for Phases 1-4, respectively; eliminated the required commencement dates associated with Phases 3 and 4; modified the transportation conditions of the Development Order to reflect results of the current transportation analyses and provide a new time schedule for road improvements; revised Map "H" to designate Tracts 1, 15 and 40 (of Village 1) as "Multi-Purpose"; mandated a requirement for a Chapter 380.06, F.S. transportation analysis prior to initiation of Phase 4 development; modified the phasing provisions to a new phase (Phase 3A) to consist solely of 803 single-family residential units with a buildout period of 2011; recognized a revision to the housing unit types in accordance with the existing Land Use Equivalency Matrix; modified the transportation conditions; and removed commercial as an approved use on multi-purpose Tracts 40 and 15 of Map H.

The approved phasing schedule is as follows:
