DRI #93 - LAKE BRANDON HILLSBOROUGH COUNTY RY 2008-09

On December 22, 1983, Hillsborough County granted a Development Order to Florida Corporate Center, Inc., for a 400-acre, office/research corporate park and shopping center project, located at the corner of Lumsden Road and Providence Road, in east central Hillsborough County.

The Development Order has been amended a total of seven times, most recently on October 25, 2005 (Resolution No. R05-244). The amendments have cumulatively: added two parcels totaling 98.13 acres to the DRI with limited uses associated with these parcels; consolidated and extended the buildout date (to December 31, 2010) and Development Order expiration date (to December 31, 2015); formally changed the name of the project from “Florida Corporate Center” to “Lake Brandon”; and modified the required transportation improvements, the project Master Plan, and the Land Use Equivalency Matrix. The Applicant has recently requested additional three-year extension of the buildout and Development Order expiration dates in accordance with recent changes to Subsection 380.06(19)(c), F.S. Hillsborough County will be responsible for determining if the project qualifies for these additional extensions.

The phasing schedule for the project is as follows:

BUILDOUT DATE	OFFICE (Sq. Ft.)	LT. INDUSTRIAL (Sq. Ft.)	COMMERCIAL (Sq. Ft.)	RESIDENTIAL (MF/Units)
December 31, 2010	1,442,000 ¹	1,329,336 ¹	656,598 ^{1,2}	1,758 ^{1,2}

1. Documentation included within the RY 2007-08 Annual Report and cumulative exchanges recognized by MNH&W of 1,271,816 sq. ft. of Light Industrial space for 256,598 sq. ft. of additional retail space and 1,716 multi-family residential units. These conversions were supplemented by a Land Use Equivalency Matrix request dated August 17, 2010 in which 16,848 sq. ft. of Light Industrial uses were converted for 42 additional multi-family units.
2. The Development Order authorizes conversions to a maximum of 2,376 multi-family residential units and 800,000 sq. ft. of retail space.

PROJECT STATUS

Development this Reporting Year: no development activity occurred during the reporting period.

Cumulative Development: the developer has reported that 656,598 sq. ft. of retail space and 1,758 multi-family units have been completed.

Projected Development: no specific development activity has been identified for the next reporting year.

SUMMARY OF DEVELOPMENT ORDER CONDITIONS

1. Condition IV.F. (Page 16 of Resolution No. R95-265/“Exhibit 4”) requires the developer to conduct surface water quality monitoring monthly for DeLaney and Archie Creeks with results submitted on a quarterly basis to Hillsborough County and the Tampa Bay Regional Planning Council. The developer has only submitted the results of the February 2009, May 2009, June 2009, July 2009,

August 2009 and September 2009 monitoring events of the three monitoring stations (i.e. SW-1, SW-2 & SW-3) as conducted during the reporting year. The Developer has attributed the lack of collection and analyses for six months to *“the efficacy of the development’s stormwater treatment system at containing runoff, and drought leading up to the 2009 wet season, it has been unusual to find discharge at the monitoring stations.”* It is requested that all future Annual Reports include all corresponding monitoring results or continue to acknowledge why certain monitoring was not conducted.

2. The Developer is required to conduct annual traffic monitoring to provide p.m. peak hour external trip counts at the development’s entrances in accordance with Condition IV.L.3. (Page 36 of Resolution No. R05-244). Traffic monitoring was conducted between June 22-30, 2009. The results revealed that the project is generating 6,364 p.m. peak hour trips of the 6,853 p.m. peak hour trips approved for the project (92.9%). The Developer has alleged that a significant number of these trips result from “non-project related cut-through traffic.”
3. The “Developer of Record” recognized below has been modified for Annual Reporting purposes only. Please note that “officially” recognizing new Developer(s) of Record are not Substantial Deviations but require modification to the Development Order in accordance with Subsection 380.06(19)(e)2.a., F.S.
