### **DRI #235 - SOUTHEAST TRACT (MOAIC) MANATEE COUNTY RY 2009-10**

On December 19, 2000, the Manatee County Board of County Commissioners adopted Ordinance No. 00-49 as a Development Order for the project. The Ordinance authorized the addition of two parcels to the Four Corners Mine land holdings. These parcels total 2,508 acres, of which 2,152 acres are approved for mining. The parcels are located in northeast Manatee County, south of State Road 62 and adjacent to the Hardee County line. These parcels are referred to as the "Southeast Tract Addition" or "Parcels 5 and 6" and are located in Section 36, Township 33S, Range 22E, and Sections 1, 2, 11, 12, 13, and 14 in Township 34S, Range 22E. Per the Development Order, mining shall be completed by March 2, 2015 and the Development Order expires on December 31, 2021. The anniversary date for the Annual Report is July 31<sup>st</sup>.

The Development Order has been amended once, on May 1, 2008 (Ordinance No. 08-20). The Amendment authorized: recognition of new owner/developer as Mosaic Fertilizer, LLC; changed the name of the project to "Mosaic Southeast Tract"; added 103-acre Wingate Corridor Parcel to the Southeast Tract Mine for use as a pipeline and access utility corridor; revised the beneficiation plants to which the ore may be transported for processing to include the Wingate Creek beneficiation plant; allow Mosaic the flexibility to pump the matrix to the closest available plant; revised the waste disposal plan; updated the mine and reclamation plan to account for the above changes; approved the Wingate Corridor to cross Duette Road; and extended the mining period and the Development Order expiration by three year periods (to March 2, 2018 and December 31, 2024, respectively).

#### **PROJECT STATUS**

***Development this Reporting Year:*** 63 acres were mined.

***Cumulative Development:*** a total of 1,523 acres have been mined to date.

***Projected Development:*** the developer anticipates completing "the mining the Caracara area, mine the remnant area on the west side of the West Fork Crossing, then move to the 40 acre parcel in the extreme northeast of the tract" during the next reporting year.

#### **SUMMARY OF DEVELOPMENT ORDER CONDITIONS**

1. The Developer has identified that all required monitoring programs continue to be instituted with results provided to the appropriate agencies. A summary of the following monitoring results has been included in the RY 2009-10 Annual Report: *Rainfall Amounts* (daily), *Surficial Water Table* (weekly), *Surficial Aquifer* (bi-annual), *Surface Water Quality* (quarterly) and *Surface Water Quantity* (monthly or quarterly dependent on location).

2. Conditions 6.B.(6)a. and 6.B.(6)b. obligate the Developer to construct the two identified off-site wetland restoration projects within 12 months of Manatee County obtaining the necessary permits. The developer has confirmed that the County has subsequently completed construction of these improvements and/or is not able to obtain the necessary permits. Manatee County has proposed the Developer participate in the construction of an alternative restoration project(s) on County owned land within the Lake Manatee watershed, the details of which are currently being discussed. The Developer shall continue to identify the status of these discussions within all future Annual Reports until the intent of this Condition been fulfilled to the satisfaction of Manatee County.
3. The Developer indicated that *Wildlife and Habitat Management Plan* measures continue to be implemented, including obtaining listed species permits from the FFWCC [Condition 6.E.(2)]. The developer has additionally noted that “*pre-clearing surveys have been completed for the mine areas.*”
4. The *Disaster and Hurricane Plan* (a/k/a the “Emergency Response Plan”) was updated to reflect the expansion area and completion of the FM-1 Dam. Such updates were submitted in conjunction with the RY 2004-05 and RY 2008-09 Annual Reports.
