DRI #103 - COOPER CREEK MANATEE COUNTY RYs 2010-12

On January 9, 1986, Manatee County granted a Development Order (Resolution R-85-236) to the Wilbur Boyd Corporation for a 605-acre, mixed-use development located northwest of the University Parkway and I-75 intersection in Manatee County.

The Development Order has been amended a total of 12 times, most recently on December 1, 2011 (Ordinance No. 11-38). The amendments have cumulatively:

- consolidated the project into a single phase;
- extended the buildout and Development Order expiration dates, inclusive of extensions associated with SB 360, SB 1752 & HB 7207 (i.e. 2009, 2010 & 2011 legislation, respectively). The Development Order expiration date has been cumulatively extended to December 30, 2020.;
- authorized any combination of approved land uses if the anticipated p.m. peak hour external vehicle trips do not exceed 2,832 trips;
- modified the required transportation improvements, including two "safety" improvements;
- recognized new owners/Master Developers; authorized potential conversion of Parcel J **OR** Parcel K to Vo-Tech/School (maximum of 46,000 sq. ft.);
- exchanged 113 residential units (various residential parcels) for 20,000 sq. ft. Vo-Tech/School space (Parcel K);
- increased Commercial by 49,000 sq. ft. (to 794,000) and Office by 83,000 sq. ft. (to 223,000);
- added an Honore Ave. access point and a "right-in/right-out" only access point along University Pkwy.;
- extended the frequency of future monitoring to Biennial (due on January 9th of all even-numbered years);
- modified the limitations and provisions associated with the Land Use Equivalency Matrix;
- recognized Assisted Living Facility as a potential use on Parcels G and/or K that can only be attained through conversion from other project use(s);
- modified the designated Conservation Areas illustrated in Exhibit C (and definitions thereof) to reflect "*recorded Conservation Easements and conservation areas (both wetlands and uplands)*" as well as existing "*wetlands in the developed portion of the site that may not be under a conservation easement*";
- modified Map H to reflect revised Conservation area designations and revise access to internal Cooper Creek Boulevard; and
- modified General Condition D(6) to alternatively require mitigation for impacts in accordance with State requirements, or Manatee County Comprehensive Plan if mitigation is not required by the State.

The following constitutes the approved plan of development:

BUILDOUT DATE	RESIDENTIAL (Units)	COMMERCIAL (Sq. Ft.)	OFFICE (Sq. Ft.)	VO-TECH/SCHOOL (Sq. Ft.)	MOTEL (Rooms)
Dec. 30, 2019	767	794,000	223,000	20,000*	250

* - an additional 26,000 sq. ft. of Vo-Tech/School can be attained with a simultaneous reduction of Commercial (Parcel J) or Office (Parcel K) at a 1:1 ratio.

PROJECT STATUS

Development this Reporting Year. development of the 23,242 sq. ft. “Building 4 Cooper Creek Office Campus” was initiated during the reporting period. In addition, three parcels totaling 65,965 sq. ft. of Commercial (i.e. 11,659 sq. ft. University Mall Retail Addition/Outparcels, 45,000 sq. ft. Tourist Center Retail Addition & 9,306 sq. ft. University Outlet Mall Expansion) have all been approved and/or are “pending” approval with construction not yet initiated.

Cumulative Development: exclusive of Office development reported as “under construction” above, completed development would consist of 700,343 sq. ft. of Commercial development, 116,754 sq. ft. of Office, 403 single-family residential units (all of which were platted with most constructed), 290 multi-family residential units and 244 hotel rooms.

Projected Development: no specific development activity has been identified for the next reporting period. However, it would be anticipated that the Office entitlements identified above would be completed during the 2012-14 reporting period, at minimum.

SUMMARY OF DEVELOPMENT ORDER CONDITIONS

1. The developer is required to conduct semi-annual surface water and groundwater monitoring in accordance with Conditions 5.D.(2) and 5.D.(3), respectively. The developer has provided the results of two surface water/groundwater monitoring events (i.e. conducted on November 29, 2010 and December 9, 2010, respectively). **Two** installments of semi-annual water quality monitoring shall be submitted with all future Biennial Reports through buildout.
2. The developer has reaffirmed that bus bays were constructed at the project entrance and at the main commercial areas in accordance with Revised Condition 5.B.(5).
3. The Developer acknowledged that Condition 5.B.(6) of the Development Order now reflects that all previously required transportation improvements have now been completed. These improvements consisted of: signalization of the University Parkway/Cooper Creek Boulevard intersection; construction of a westbound right-turn deceleration lane on Cooper Creek Boulevard at University Parkway; construction of an additional southbound left-turn lane on Cooper Creek Boulevard at University Parkway; construction of an additional northbound to eastbound right-turn lane from Honore Avenue to Cooper Creek Boulevard, and construction of an additional eastbound to northbound left-turn lane from University Parkway to Cooper Creek Boulevard.

4. In accordance with Condition 5.L.(2), the developer should designate an energy officer to establish an energy plan, monitor energy use and promote energy conservation within the project. While such report has not been provided to date and no “energy officer” has been identified, the following energy conservation measures were previously alleged to have been incorporated into the Cooper Creek DRI: hotel pools were oriented to the south to capture maximum amount of sun rays; hotel room AC units are electronically controlled; highest SEER rating AC units are utilized; fluorescent lighting is utilized in hotel and all buildings; motion/heat sensors are utilized in hotel to eliminate the need for lights and AC when rooms are unoccupied; and indoor/outdoor lights and security lighting are on timers.

DEVELOPER OF RECORD

The following property owners are responsible for adherence to the Conditions of the Development Order:
