6. A. Advanced Planning with Technology

Regional Planning Councils have typically relied on various programs to fund innovative planning initiatives. Discretionary funding sources have become increasingly competitive and scarce. In the face of this, the Tampa Bay Regional Planning Council has leveraged technology which has helped us become a leader in mapping and economic modeling throughout the State. Using tools like Geographic Information Systems and Regional Economic Modeling, the TBRPC has strengthened its competitive edge for discretionary funding. Marshall Flynn, Information Technology Director, will demonstrate the use of GIS technology via a power-point presentation.

Recommended Action: None. Information Only.

Staff contact: Marshall Flynn, ext. 11, marsh@tbrpc.org

Presentation available on the Council website, www.tbrpc.org

B. TBRPC Peril of Flood Workshops

TBRPC, in cooperation with the Florida Department of Economic Opportunity Division of Community Planning, is presenting a series of "Peril of Flood" workshops in March-May 2017. The workshops provide technical assistance and opportunities for knowledge sharing among local governments related to comprehensive plan requirements contained in the state's 2015 Peril of Flood legislation. TBRPC Principal Planner Brady Smith, AICP, CFM will present a recap of the

introductory workshops held March 3rd at TBRPC and March 27th at SWFWMD Brooksville Headquarters.

TBRPC Efforts

- *I wanted to advise Council Members that the Tampa Bay Leadership Group will be holding a kickoff meeting on Friday May 12th for their Best Practices Study of coordinating regional transportation efforts of which the TBRPC has been invited to participate. This meeting will be held at St. Pete College in Clearwater. Council member Nunez represents the Council on this Committee.*
- *On March 27th, the Tampa Bay Regional Planning Council held its second Peril of Flood workshop in the City of Brooksville and on March 31st we held a webinar to further outreach efforts. These event were the second and third of four TBRPC Peril of Flood workshops being held for this project. Also the National Association of Regional Council's highlighted TBRPC's effort in the national e-news-letter that is distributed throughout the Country.*
- *On March 22nd, I was invited to meet with Tarpon Springs Mayor and TBRPC Council member Chris Alahouzos. The Mayor and I toured each of the three commercial areas of the City and discussed the Mayor's desire to enhance economic development and public transportation in his City. The authentic Greek food in Tarpon Springs is second to none.*
- *On March 28th, Principal Planner John Meyer attended a technical Coordination Group meeting in Manatee County for the Central Manatee Network Alternatives Analysis in the Cities of Bradenton and Palmetto to discuss potential alternatives for the Study area which is defined as the southern portion of Palmetto and the northern portion of Bradenton, as is traversed by the Green Bridge and the DeSoto Bridge. Discussion items included potential pedestrian, bicycle, mass transit and road expansion improvements while trying to maintain the character and functionality of each City.*
- *Also on March 28th, Principal Planner Randy DeShazo and I attended an economic development workshop of the Board of County Commissioners of Citrus County to explain how TBRPC staff can assist the Commission with their economic development efforts.*
- *On March 30th, Avera and Randy attended a meeting with the City of Tampa CRA Director's as part of our work on the TBX economic impact analysis contract we have with FDOT.*

- *On Tuesday April 4th I was invited to be the guest speaker at the Retired Executives Advisory Program at the Belleair Country Club. The group was eager to hear about the Council's work and was interested in discussing the need for transportation improvements throughout the Tampa Bay Region. Former Council member Ken Hoyt from Hillsborough County extended me this invitation.*
- *On April 5th Avera, Marshall and Randy conducted a webinar on the Coast to Coast trail project as the planning component of the trail network nears completion. When completed the coast to Coast Trail will connect St. Petersburg with Titusville.*
- *I'm happy to report that the State Legislature has indicated that the State Department of Economic Opportunity Technical Assistance grants will be funded at the same level as last year. Funds will be competitively awarded and staff has developed a list of technical Assistance projects that we believe will benefit member governments. When the announcement is made indicating the availability of funds we will be ready to submit competitive applications.*
- *Lead by Tampa Emergency Management staff, a consortium of agencies and industries will be hosting the third annual Port Area Safety Funfest event on Saturday, May 7th from 10:00 AM – 2:00 PM at DeSoto Park in Tampa. The primary goal of the event is to educate the public surrounding the Port area about chemical hazards, safety, and alert/warning procedures. Various demonstrations by fire and law enforcement personnel are currently planned. The event will include free food for attendees as well as music, door prizes and access to the Desoto Park pool. TBRPC staff member John Meyer is currently participating in the pre-planning of this event and will also assist at the event.*
- *I look forward to seeing all of you at the Future of the Region Event on April 28th at the Hilton Carillon. Breakfast begins at 8:30am with the awards ceremony beginning at 9:15am.*
- *As the Rays begin their 20th year as a major league baseball franchise and continue to seek a location for a new ballpark I thought I would share a piece of nostalgia with you. As many of you know my folks lived in St. Petersburg in the 90's and recently my sister was going through my folk's storage and she came across a souvenir copy of the April 1, 1998 edition of the St. Petersburg Times.*

Next Meeting: May 8, 2017

Adjournment 11:40 a.m.

The Council, in accordance with its adopted rules of procedure, may only take action on matters not on the printed agenda involving the exercise of agency discretion and policymaking upon a finding by the Council of an emergency situation affecting the public's health, safety, and welfare. Council meetings are Public Meetings within the context of [Section 286.011, Florida Statutes](#). Public Hearings on issues before the Council are conducted by individual local governments, and are the proper forum for public comment.

Please note that if a person decides to appeal any decision made by the Council with respect to any matter considered at the above cited meeting or hearing, s/he will need a record of the proceedings, and for such purpose, s/he may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based. Persons wishing to speak at a Council meeting are required to complete the form provided at the entrance to the meeting room. The form, after being completed, must be given to the Recording Secretary.

If you are a person with a disability who needs any accommodation in order to participate in this meeting you are entitled, at no cost to you, the provision of certain assistance. Please contact the Tampa Bay Regional Planning Council at 727-570-5151 ext. 22 within 3 working days prior to the meeting.
