DRI #161 - UNIVERSITY CENTER RESEARCH AND DEVELOPMENT PARK CITY OF TAMPA RY 2002-03

On January 25, 1990, the Tampa City Council granted a Development Order to RDP Associates Number One, Ltd., for a 83.7-acre research and development park. The project is located in the northeast quadrant of the Fowler Avenue/30th Street intersection in northern Tampa, adjacent to the University of South Florida main campus.

The Development Order has been amended only a single time, on September 15, 1994 (Ordinance No. 94-176), to extend the project buildout and Development Order expiration dates. The Development Order expires on December 15, 2006.

On December 14, 2001, the developer submitted a Notice of Proposed Change application to further request an additional eight year extension of the project buildout and Development Order expiration dates. A transportation methodology meeting was finally held on March 5, 2003 in conjunction with the proposal. The applicant will be submitting the supporting transportation analysis with the intent to rebut the presumption of a substantial deviation.
