

D. Community and Private Sector Participation – The CEDS Steering Committee

The CEDS Steering Committee is composed of a diverse and focused group of interested citizens who shaped this CEDS as how they want to see the region grow. Their work is greatly appreciated and the Tampa Bay Economic Development District looks forward to a continued partnership with the committee in the future.

As required by EDA guidelines, the CEDS Steering Committee must be made up of a majority of private sector representatives.

Representatives from the Public Sector are listed below.
