KNOW YOUR ZONE

Even if you have lived in Pinellas County for a long time, it's more important than ever to know your home's evacuation level. To find your level:

- ✓ Visit www.pinellascounty.org/emergency
- ✓ Call (727) 453-3150 and enter your 10-digit home phone number (does not work for cell phone numbers)
- ✓ Look on your Pinellas County Utility bill
- ✓ Look on your Truth in Millage (TRIM) notice
- ✓ Call (727) 464-3800 and speak with Emergency Management staff

Scan this code with your smart phone's barcode reader to find your evacuation level.

Type G: General Shelter Type SpNS: Special Needs Type PFS: Pet Friendly Shelter

Pet Friendly Shelters: You must pre-register for pet shelters through animal services, call (727) 582-2150. Space is limited.

Special Needs Shelters: People with special needs are encouraged to pre-register for a special needs shelter. Please call the Department of Health at (727) 824-6900 or Pinellas County Emergency Management at (727) 464-3800.

Shelters are not listed in the order they are opened and shelter openings will vary with each emergency depending on the type and intensity of the disaster. Stay tuned to local media for a listing of shelters, to include any pet-friendly shelters, which will be opened for an event. Do not go to a shelter until local officials announce that the shelter is open.

Tune in to PCC TV for shelter information or watch/listen to local news as storms approach.

* Sign up to receive text messages on your cell phone regarding hurricane evacuations and recovery, as well as any other major emergencies within Pinellas County. Your service provider may charge you for these messages based on your plan.

** Only open during emergencies

*** Get your hurricane evacuation level using your telephone number.

USING YOUR COUNTY MAP

1. Locate where you live and work on the map.
2. Determine whether you are in an evacuation area, and if so, what level (color).
3. If you are in an evacuation area, or mobile home/manufactured home/RV, decide where you will go if ordered to evacuate. Your choices include:
 - ✓ Home of a relative or friend outside the evacuation zone
 - ✓ Hotel/motel outside the evacuation zone (make arrangements early)
 - ✓ Go to a public shelter
 - ✓ As a last resort leave the area entirely
4. If you must go to a public shelter, use your county map to decide which one is convenient. Make sure you verify the shelter is open before you go.

HURRICANE THREAT

- ✓ The colored areas on the map are vulnerable to storm surge. Storm surge is the saltwater flooding that rushes over coastal areas when the eye of a hurricane crosses land.
- ✓ Storm surge creates a path of destruction, wiping out structures as it rapidly surges inland and then recedes. This is a life threatening situation for anyone who ignores mandatory evacuation orders and stays in vulnerable areas.
- ✓ Hurricanes are categorized on a scale of 1 to 5, depending on wind strength and destructive power. The evacuation zones are color coded to designate the level of storm surge likely to occur.
- ✓ If you live in an area ordered to evacuate, gather your family/pets and emergency supplies, secure your home and leave immediately. Failure to obey a mandatory evacuation order is a violation of state and local laws.

Note: All persons living in mobile homes/manufactured homes/RVs must evacuate for all mandatory evacuation orders, regardless of where you are located in the county.

PINELLAS COUNTY TRANSPORTATION INFORMATION

REGISTER NOW FOR HURRICANE SPECIAL NEEDS TRANSPORT

If you're housebound or don't have transportation, don't wait until the storm is here. Register now with Pinellas County's Special Needs Program.

- ✓ Contact Pinellas County Emergency Management to find your evacuation level. Click on www.pinellascounty.org/emergency or call (727) 453-3150 (automated) or (727) 464-3800.
- ✓ If you live in a mobile home, you MUST leave during a mandatory evacuation.
- ✓ If you rely on public transportation, PSTA will run their regular rush hour routes around the clock for free during a hurricane evacuation period. You can take the bus to a shelter or host home. Call (727) 540-1900 for more route information and other details.
- ✓ If you have special needs, call your local Fire Department and register. (You can find Fire Department phone numbers in the government section of the phonebook white pages.)
- ✓ You can also register by calling (727) 464-3800. To print out a special needs transportation registration form, visit www.pinellascounty.org/emergency/pdf/special_needs_form.pdf.
- ✓ Once registered, your local Fire Department will add you to a pick-up list in the event of an evacuation.
- ✓ For more information, check our website at www.pinellascounty.org/emergency or tune into our county TV station, PCC TV, for shelter information.

PRESCRIPTIONS

Your prescription medications are one of the most important things to include in your disaster survival kit. But in a declared emergency, what happens when your insurance company claims it is too early for you to get a refill? The Florida Emergency Prescription Refill Bill (FS 252.358 and 462.0275) requires all insurers to suspend refill-too-soon restrictions when a patient seeks a refill in a county that is (1) under a NWS Hurricane Warning; (2) under a state of emergency declared by the Governor; or the County Emergency Operations Center is activated. If you evacuate out of the county, this law also allows patients to get an emergency 72-hour refill if the pharmacist is unable to obtain refill authorization from the doctor. Keep a list of each medication you take, including the name of the doctor who wrote the prescription, dosage instructions and the name and phone number of the pharmacy where you had it filled.
