4. **City of Clearwater Groundwater Replenishment**

David Porter, City of Clearwater. The City of Clearwater will present on their effort to replenish the aquifer with reclaimed water that has undergone a multi-barrier treatment process, which is a component of their Integrated Water Management Strategy Program. This project is designed to reduce the discharge of reclaimed water to surface waters, provide up to three million gallons per day of purified recycled water to recharge the Upper Floridan aquifer beneath the city, and to produce high-quality water to help meet Clearwater's current and future water needs.

5. **City of Gulfport Lateral Line rebate program**

Tom Nicholls, City of Gulfport. The City of Gulfport passed a resolution to establish a rebate program to replace failing lateral lines of residential homeowners, to reduce infiltration and inflow of stormwater to the sanitary sewer system.

6. **Rise Above Plastics Coalition- Ocean Friendly Restaurant program**

Davey Connor, Suncoast Surfrider. With increased national and regional interest in reducing the impacts of single use plastics, RAP is providing resources and information that can be used by local governments and businesses to reduce single-use plastic waste, including the voluntary "Ocean Friendly," designation that provides numerous business benefits.
