7. **SWIM Restoration Project Dashboard and Geodatabase – Mark Walton and Tara Schiro, Southwest Florida Water Management District**

SWFWMD's SWIM Program has been undertaking and funding restoration work since 1987. They recently embarked on an effort to compile project data, descriptions, and metrics for some 230 restoration projects covering over 15,000 acres and make this information accessible through an online dashboard. This is complemented by site condition assessments of completed projects to determine if project goals and maintenance requirements are being met.

8. **Cross Bay Ferry– Ed Turanchik, HMS Ferries and South Swell Development Group**

Ed Turanchik will provide an overview and update on the Tampa Bay Ferry Public Private Partnership project as well as the current intercity ferry service between Tampa and St. Petersburg. Mr. Turanchik is the project leader for HMS Ferries and South Swell Development Group.
